

Parental Consent Form

I have read the Freshfields Animal Rescue Bike Ride event description on the website and after discussion with my son/daughter believe that he/she is capable of participating safely. We understand that in events on the public highway it is the participants who are responsible for their own safety. Marshals at these events are there to indicate direction and each participant is responsible for his / her own safety in negotiating corners, turns and other hazards. Furthermore it is understood that on the open road, the law of the land must be observed relating to road travel.

I agree that my son/ daughter shall participate in the Freshfields Animal Rescue Bike Ride without any liability whatsoever on the part of the promoter, promoting club, British Cycling, or any club or organisation affiliated thereto or their officials or members in respect of any injury, loss or damage suffered by him / her, provided that this does not exclude liability of any such party for death or personal injury arising from that party's negligence.

I confirm that my son/daughter does not have any disability or medical condition, physical or mental, which could affect his/her ability to ride in this event.

I confirm that I have the legal right to provide consent for:
